Why should I make an effort to go to the Parish Assembly?

Have you ever wondered what our parish will look like in 10, 15, 20 years from now? Have you ever looked around at our beautiful, but aging community and wondered who will be here in the years to come to keep our parish alive and vibrant? Who will carry on the wonderful ministry our parish groups provide, and who will support our liturgies so they are prayerful, and welcoming? I do! That's why I think it's so important that as many of us who can, should make every effort to attend the parish assembly. It's also why I would encourage you to invite or seek the ideas from your family and friends as to why they no longer feel they belong to our parish. Let's embrace this opportunity to have our say, and to listen with open hearts to what our Corpus Christi family wants to be in the years to come. Sharon Brewer

We acknowledge the Ngunnawal peoples, Aboriginal peoples and Torres Strait Islander peoples, who are the traditional custodians and first peoples of this land. We pay respect to their elders past and present and to the memory of their ancestors. We acknowledge that they have occupied and cared for this land over countless generations and we celebrate their continuing contribution to the life of our city and of this region. We also extend our respect to all Aboriginal peoples living in our community.

Parish Safeguarding Commitment: Corpus Christi Parish is committed to safeguarding and upholding the dignity and rights of all of our children and vulnerable people. We seek to empower children, their families and carers, and vulnerable people, to have a say, to be listened to, and to be protected. This approach is at the centre of all of our thinking and action.

Communicating Concerns: Parishioners are encouraged to raise any concerns they may have by emailing Fr James or the Parish Office. Alternately, please phone the Parish Office to organise a time to talk with Fr James. Specific safeguarding issues can also be emailed to the Parish Safeguarding Officers (see front page). Parishioners are also welcome to contact Maria Hicks, Manager for the Archdiocese's Institute for Professional Standards & Safeguarding (IPSS) ipss@cg.org.au /02 6239 9806.
