## CORPUS CHRISTI PARISH EVENTS

### "The difference that you make...."

Our parish has always been very generous with its donations to the annual St Vincent de Paul appeals, the poor box and food for our Calwell and Gowrie pantries. There are also many parishioners who donate their valuable time week in and week out to support the St Vincent de Paul Society through volunteer work. When you make these donations, you have no idea of the difference that you make in supporting the many diverse Good Works programs of the St Vincent de Paul Society and, the thousands of companions- the poor and marginalised that we support.

Attached to the Parish bulletin when emailed is a document titled "Our Impact" which seeks to capture the numbers of companions supported through the many, many Good Works programs provided in our region during the last financial year. Your support makes these programs possible, and for that we offer our prayers and deep appreciation.

The St Vincent de Paul Calwell and Gowrie conferences annual **Ozanam Appeal** will be conducted at all Corpus Christi parish masses this weekend. Our conferences are twinned with the overseas conferences of St Yohannis Maria Viani and St Francelina in Indonesia, and St. Louis-Marie and St. Joseph in Thailand. These conferences will benefit from your donations, supporting remote and underprivileged communities.

Collections will be taken following each mass. We will be accepting both cash and EFT payments..

## Silver Jubilee House Project

**Thanks to all those who have responded positively towards this noble project.**

By the grace of God, the year 2025 marks the milestone of 25 years (December 30<sup>th</sup>, 2024 – December 30<sup>th</sup>, 2025) of my priestly service. This would not have been possible without your love and support. **Thank you.** It has been a journey filled with challenges and triumphs, yet what remains truly remarkable is the unwavering sense of divine presence I have experienced, manifested through the love and encouragement extended by each one of you. My vocation to the priesthood has been driven by a deep-seated desire to uplift the marginalized and neglected in society, a mission I have endeavoured to fulfil throughout my ministry.

As I commemorate this significant milestone, I am compelled to make a lasting impact by constructing a home for a deserving family. This noble endeavour "**Silver Jubilee House Project**" will be overseen by the Vincent De Paul society in my hometown of Kerala, India. While I lack the means to undertake this project single-handedly, a few friends have expressed their willingness to contribute. If you share a similar desire to support this initiative, kindly reach out to me for further information via email at [frjames@gmail.com](mailto:frjames@gmail.com) or WhatsApp at +61405569233.

Above all, I humbly request your continued prayers in my ministry. Your generosity, love, care, and support have been invaluable to me, and for that, I am deeply grateful. Thank you for walking alongside me on this journey.

With heartfelt appreciation,  
Fr. James T Antony CMI

## New Memorial Wall at HFC

The Columbarium which is closer to the altar of Holy Family Church is a beautiful image of Heaven meeting the earth. Each time we celebrate the Holy Eucharist or engage in any form of prayer, it is an image that reminds those celebrating Mass or praying, that their loved ones, who are in the presence of God, are close and are praying together with us.

As per the original design, the Holy Family church is to have columbarium walls on three sides of the church. We have completed building all of them now.

The total cost of this project is around \$20 thousand and if anyone would like to support this project financially, you are most welcome to contribute through our parish account. Contributing to the project does not bring any automatic claim of spaces/reservations in the wall.

Thankyou to those who have already transferred a contribution.

Thank you for your ongoing support

**Parish Safeguarding Commitment:** Corpus Christi Parish is committed to safeguarding and upholding the dignity and rights of all of our children and vulnerable people. We seek to empower children, their families and carers, and vulnerable people, to have a say, to be listened to, and to be protected. This approach is at the centre of all of our thinking and action.

*We acknowledge the Ngunnawal peoples, Aboriginal peoples and Torres Strait Islander peoples, who are the traditional custodians and first peoples of this land. We pay respect to their elders past and present and to the memory of their ancestors. We acknowledge that they have occupied and cared for this land over countless generations and we celebrate their continuing contribution to the life of our city and of this region. We also extend our respect to all Aboriginal peoples living in our community.*

**Communicating Concerns:** Parishioners are encouraged to raise any concerns they may have by emailing Fr James or the Parish Office. Alternately, please phone the Parish Office to organise a time to talk with Fr James. Specific safeguarding issues can also be emailed to the Parish Safeguarding Officers (see front page). Parishioners are also welcome to contact Maria Hicks, Manager for the Archdiocese's Institute for Professional Standards & Safeguarding (IPSS) [ipss@cg.org.au](mailto:ipss@cg.org.au) /02 6239 9806.
